

TCS BIOSCIENCES LTD, CHANGE NOTICE: CCI 124

To: Customers and Distributors of Selectrol and Accu-Bac

It is our intention to make the change listed below. The details of the change and the reason for it are given below.

Please acknowledge receipt of this notification and confirm your acceptance of the change by completing the section below and emailing a copy of the form to qc@tcsgroup.co.uk. Acceptance of the change is assumed if a response is not received within two weeks of issue of this notification.

If you have any difficulties or concerns accepting the change, please contact us immediately.

Product: Selectrol and Accu-Bac strains *Pseudomonas aeruginosa* NCTC 12924 / ATCC® 9027

Product code: Selectrol: MM40, Accu-Bac: AB40

Proposed Change Date: 1 March 2024

Change Details:

The names of Selectrol strain MM40 and Accu-Bac strain AB40 will change from *Pseudomonas aeruginosa* to *Pseudomonas paraeruginosa*. Labels and certificates of analysis will be updated accordingly.

This name change will apply for MM40 and AB40 strains sold from 1 March onwards.

Reason for Change:

We have been advised that UKHSA has changed the name of the strain as above, so we are updating our documentation accordingly.

There is no change to the NCTC strain number which remains the same.

Note – ATCC® identification included for reference only

I understand and accept the changes proposed to the product given above.
